

Position Description & Selection Criteria

Job title:	Member Services Manager
Reports to:	Chief Executive Officer
Position type:	Permanent part time (0.5 FTE)
Location:	Offsite
Last updated:	28 April 2022

Purpose of the position

Reporting to the CEO, the Member Services Manager provides support to IoTAA's CEO, Executive Council, Workstream Chairs and members.

The role manages the member experience from onboarding through to driving engagement. The Member Services Manager handles the design and administration of new member programs, database management and reporting; and supports the organisation's internal and external stakeholders.

Consistent with IoTAA's strategic focus and operating plan, the Member Services Manager evaluates the existing service offering and develops and implements member services plans to grow the membership and increase engagement and satisfaction.

This is a permanent part time position with flexible working hours during weekdays. Occasional work outside normal office hours may be required.
